the phrase used was by a St. Louis writer, in 75. The Philadelphia club beat the St. Louis Reds one Sunday by the score of 4 to 3, with Joe Blong pitching for the Reds. I was with the Quakers and scored three of the four runs, Mike McGreary sending me home each time with a single and scormorning the St. Louis paper referred to me as the southpaw as I was a left-handed batsman. For the last 20 years I have referred to all lett-nand pitchers as southpaws simply because they were lefthanded and not because they were lefthanded and not because they btched the ball toward the sunny south on certain grounds."

Glenwood Track is Idle While Fans Hunger for Bike Races.

Just as useless as a fur overcoat in August, the Glenwood saucer track is den).

The present lesees of Glenwood have control of the saucer and they started in to present bleycle racing there this season. Several excellent race meets were held, and the attendance began gradually to improve. Then, all at once, racing for Ogden came to an abrupt close, although some money had been made off the game here. The announcement was a bitter disappointment to lovers of the game here. Henry Mayer, the German professional, who has been riding so speedity on an exclusive contract with Saltair this season was in Ogden Saturday night. He pronounces the Ogden track one of the best which he has ever seen, and by far the speediest in this section of the country. Mr. Mayer's expressions of regret that the saucer must remain idle only reflects the sentiments of all of the riders and the public as well. It is understood that a move is on foot by reaponsible promoters to gain control of the Glenwood track and maintain the best of racing here next season. OUTSIDERS MAKE IT A PAIR OVER LOCALS

Employes of the Utah Fuel company, their families and friends, were at Lagoon. The gathering was the result of a plan originated some time ago by the auditor, W. O. Williams, and the general superintendent, W. B. Williams, to bring the office and store forces from the mines to meet the office forces at headquarters in a game of baseball.

The first game occurred at Castle Gate July 28 resulting in the defeat of the Salt Lake or office boys, by a score of 22 to 13. At that time the Salt Lake forces were the guests of the mine forces and were entertained as well as possible at Castle Gate. A return game was played at Lagoon Sunday and again resulted in the defeat or the Salt Lake forces by a score of 16 to 12.

After the game 100 sat down to partake of a feast prepared by wives and sweethearts of the office boys. Every one participating in the day thoroughly enjoyed it. The mine forces departed on No. 4 Sunday night for their various homes unanimously voting it the biggest day of their lives.

General Manager H. G. Williams, Vice President A. H. Cowie, and Store Manager H. A. Nelson, attended the outing and took a prominent part in assisting Auditor W. O. Williams and General Superintendent W. B. Williams in caring for those present.

The ball team from the mine included representatives from the four Utah camps. Castle Gate, Winter Quarters. Clear Creek and Sunnyside, and the ball team of the Salt Lake forces was made up of representatives from each of the departments here.

SCIENCE VS. STRENGTH.

Los Angeles Fans Eager to See Murphy and Welsh Mix. (Special Sporting Service.)

phy and Welsh Mix.

(Special Sporting Service.)

Los Angeles, Aug. 2.—Fight bugs who like a busy scrap with something doing every minute will have a chance to see one this week, in the battle between Freddie Welsh and Johnny Murphy, at Los Angeles. This will be a bout between a fancy boxer, Welsh, and a busy roughhouse boy, Murphy.

Welsh has fought both Brock and McFarland before coast crowds.

Murphy is a new one out there, but he has a good reputation and is really a San Francisco figher who was developed on the coast. He has been in the business several years and has done about everything asked of him, and the bugs see no reason why he should not give Welsh a tough battle. Johnny's last fight was with Eddie Hanion in San Francisco, and they put up a slashing bout for 10 rounds.

Johnny Frayne, who is at present making all the boys of his weight hustle in the east, lost to Murphy in 10 rounds at the Colma club at San Francisco, after having fought him a 20 and a 30-round draw. Lew Powell, once the pride of San Francisco, lost to Murphy in 10 rounds, and he knocked out Oakes of Bakersfield in two rounds. Murphy fought a fierce battle with Cyclone Thompson at Coffroth's Mission street arena, and while the boys were hammering each other for dear life the sheriff of San Mateo county rushed in ann stopped the bout declaring that Murphy was in bad shape, but this is denied by his friends. It is said that Thompson has since refused to meet Murphy is a return fight.

Murphy is likened to Ketchell, on account of his "tearing-in" style, for he wastes but little time trying to box. As his tactics are the opposite of those of Welsh, the local bugs are trying to figure out whether strength will beat science.

BANG WENT THE HAMMER! Dublin, Aug. 10.—At the Gaelic Athletic meeting held at Menagh yesterday morn-ing, J. M. McGrath, New York A. C.,
